Acquisitions, the next book in the *Strictly Business* romance series delivers another hot encounter, this time with a rural flavour.

Kelleigh Johnstone needed a break and didn't expect her first encounter with vineyard owner, Troy Smith, to turn the whole town against her.

BRISBANE, AUSTRALIA, Apr 28 – Australian based author, Tania Joyce, sees the release today of *Acquisitions*, the second book in the steamy romance series, *Strictly Business*. Following on the success of her debut novel, *Propositions*, this next instalment in the series does not disappoint readers of romance.

Set in the scenic wine region of the Hunter Valley in New South Wales, Tania Joyce's novel is a contemporary story about a Site Project Manager, Kelleigh Johnstone, who jumps at the chance to lead a small team and carry out some feasibility studies for a new golf course. Temporarily being able to leave her worries behind in Melbourne provides her with the break she needs. Everything changes when she meets vineyard owner, Troy Smith, a stranger who helps her on the side of the road after her car breaks down. Chance encounters in a small town delivers more than they both could have bargained for.

Tania Joyce was first published in 2015 with Momentum Books (Pan MacMillan). Success with her debut novel had her reach the Top 100 on Amazon in the Romance category. Since being published she has participated and presented at conferences, at local libraries and continues to help other aspiring authors achieve their publication dreams.

"It has been an exciting year. Every day is a learning curve in marketing, publishing, editing, writing new material and meeting deadlines," says Ms Joyce. "I love *Acquisitions*; it was fun to write, involved a hell of a lot of research and I'm glad to see another happy ever after."

Tania Joyce's *Acquisitions* is the second book in her *Strictly Business* series. While *Propositions* was city-based, *Acquisitions* takes on more of a rural flavour. It's City vs Country. *Acquisitions* can be read as a standalone novel or as the sequel. This novel is fast-paced, sexy and will transport you into the beautiful countryside and vineyards of the Hunter Valley.

Acquisitions – Strictly Business Book 2 by Tania Joyce

A new start. A short term project. That's all it was meant to be.

Losing his wife in a car accident has left Troy Smith doubtful of ever finding love again. He's tried, but failed. Now he thinks he's found solace as a hard-working business partner at Gumtrees Winery.

Kelleigh Johnstone needs a break from dealing with the mess and debt her fraudulent ex-boyfriend left behind. The opportunity to manage a project in the Hunter Valley seems like the perfect escape.

When these two strangers meet, a one-night stand delivers unexpected surprises. Troy is shocked when he finds out Kelleigh represents the company trying to purchase his vineyard for a new golf resort. In order to protect his home and community, Troy must do whatever it takes to stop the project from proceeding.

Kelleigh and Troy may be on opposite sides of the boardroom table, but when they are together the attraction is hard to deny. With livelihoods at stake and broken hearts vulnerable, who will risk everything for another chance at love?
