**Secrets, Sex and Superstition play out in this hot debut erotic romance,
Propositions, by Tania Joyce.**

Jessica Mason didn't expect that one proposition with hotel billionaire, Nate Somers, would change her life forever.

BRISBANE, AUSTRALIA, Mar 26 – Australian based author Tania Joyce, will debut her erotic romance *Propositions* on March 26, 2015 with Momentum Books (Pan MacMillan). This novel delivers dramatic events, endearing relationships and some thrilling love scenes that will keep you turning the pages.

Set in Sydney's (Australia) Darling Harbour and the scenic wine region of the Hunter Valley, Tania Joyce's debut novel is a hot and steamy contemporary story about successful business woman, Jessica Mason, a divorcee mother with a grown son. Everything changes when she meets Nate Somers, a British workaholic billionaire and she has to take on the account for opening his new hotel on Darling Harbour.

"Getting *'the email'* from Haylee Nash, Acquisitions Editor at Pan MacMillan is life changing," says Tania Joyce. "I opted for a career change just over three years ago and I've worked hard to learn the art of writing, editing, developing structure, plotting and creating meaningful characters. Now being under contract with Pan MacMillan is the ultimate reward for all my efforts."

Ms Joyce notes that being part of The Romance Writers Association of Australia (RWA), a supportive writing group and having a fantastic editor have helped her to achieve her goals. The willingness to learn and rework her story as required to strengthen it has contributed to her success.

"I love the romance genre. *Propositions* was so much fun to write. People reading this novel will be able to easily relate to the more mature-aged hero and heroine. *Propositions* is full of mind-blowing and emotional events that the main character, Jessica, experiences on her journey to find her Happy Ever After."

Tania Joyce's *Propositions* is the first book in the series, with the sequel out in due course. This debut novel is fast-paced, sexy and will transport you into the corporate world and the grandeur of large events. It is definitely an emotional roller-coaster!

Propositions is available for purchase from all good ebook retailers including Amazon and Kobo or directly from Momentum. Print-On-Demand option is available at Momentum.

Propositions by Tania Joyce

No strings attached ... or so she thought.

Following years of sacrifice and struggle, Jessica Mason now co-owns a successful marketing agency in Sydney. All Jessica wants to do is focus on growing her business and maintain the lifestyle she's worked so hard to achieve. But everything changes when her agency wins a major contract for the opening of the new Somers Hotel and she has to take on the account.

Nate Somers is a workaholic trying to please his retiring father. When he meets captivating, go-getting Jessica, the prospect of a short-term love affair sounds like a proposition he'd be crazy to decline.

But when Jessica spends a weekend away at her favorite vineyard retreat, she runs into Troy Smith, the ex-boyfriend who left her broken and vulnerable years ago. Things don't go to plan when the well-kept secrets from her past are revealed and Troy starts weaving his way back into her life.

With her business at stake and hearts at risk, Jessica's future is destined to change. Who will end up making Jessica a proposition she simply cannot refuse?

About the Author

Tania Joyce is an Australian author of Erotic, New Adult and Contemporary Romance novels. Her stories thread romance, drama and passion into beautiful locations ranging from the dazzling lights of Sydney Harbour or the glitter of New York, to the rural countryside of the Hunter Valley or Darling Downs.

She's widely travelled, has a diverse background in the corporate world and has a love for shopping, shoes and Shiraz. She's rarely seen without glitter, sparkle and stilettos. Her quirk is she collects key rings everywhere she goes and often has an intriguing tale about each one.

Tania draws on all her real-life experiences and combines them with her *very* vivid dreams to form the foundation of her novels. She likes to write about strong-minded, career-oriented heroes and heroines that go through drama-filled hell, have steamy encounters and risk everything as they endeavour to find their happy-ever-after.

She grew up loving books like *Anne of Green Gables*, reading the classics like *Pride and Prejudice*, and getting lost in the world of fantasy, like *The Wheel of Time Series* by Robert Jordan, before finding her home in the romance genre.

Only unearthing the desire to write after having children, Tania now shuffles the hours in her day between part-time work, full-time family life and never-finding-enough-time to write. One day she hopes to find balance! She lives in Queensland with her husband and two boys. When she's not writing, she enjoys camping, hot yoga, and the company of friends and family – especially if it's over a glass of wine!
